Wontulp-Bi-Buya really needs your help!

We urgently need to raise \$30,000 for September this year.

Wontulp-Bi-Buya is working on ways to fulfill the needs of our students and to support continued training and development at the College. Our new Strategic Plan for 2011 to 2015 is now in place and a great deal of work into reaccreditation of our courses and accreditation of new course has been completed. We can now put all this hard work into practice for the benefit of our students.

Help us continue to light the pathway of faith!
