Attend a 1 day accredited training course to develop skills for working with refugees. The training is presented by MDA.

Trainer: Gail Hyslop

Gail has 23 years in the refugee/multicultural sector in various capacities including training, management of refugee settlement programs, community development and refugee settlement work.

*Working with Refugees

(CHCSW401A: Work Effectively with Forced Migrants) *This course is a part of the National Training Framework, developed by MDA in partnership with AMES, Navitas and Margaret Piper & Associates. It can be accredited towards Cert III or IV in Community Services. If you require accreditation an enrolment form and assessment tasks will need to be completed.*
