*From oil rigs to goldmines and everything in between; we deliver hospitality services in some of Australia's most beautiful but least hospitable locations. We thrive on the challenge of getting the seemingly **impossible** done... and doing it safely!*

Your can-do attitude, safety focus and passion for great food and service will be rewarded with excellent benefits and conditions. A variety of work locations and rosters are just the beginning. Talented and motivated team members can expect their careers to flourish with ESS, one of the world's most recognised remote support services brands. ESS Support Services Worldwide, part of Compass Group Australia, provides catering and associated services to the mining and construction industries.

INVITATION

Compass Group would like to invite Aboriginal and Torres Strait Islander who are interested in a Hospitality career within the mining sector to an Information Session and Interviews. Compass Group has many available positions through direct employment or through our Indigenous Hospitality Training Program.

Positions available:

Kitchen Hands, Accommodation and Mine site Cleaners, Bar Persons and Maintenance/Handyman

When:

Tuesday, 12th February 2013 at 10am sharp

Where:

Gidarjil Development Corporation

53 Walker St

Bundaberg

What to bring:

- Certificates and relevant qualifications related to employment with ESS
- Construction White Card or Construction Blue Card (Colour photocopy front and back) This is an essential site entry requirement across many ESS sites and can easily be completed online through a number of training providers e.g. blue dog training, narbil or Etrainu
- Driver's License (Colour photocopy front and back)
- Australian Birth Certificate

Please be aware, if you don't bring the required documents you will not be eligible for employment or the hospitality training program.

To secure your position at the Information session please email Violet Singh or Emily Budgeon to confirm your attendance.
