Certificate IV in Local Government

This qualification provides an induction into the realm of local government. It is ideal for individuals who work for councils or wish to work with councils on community projects.

Outcomes

Manage projects; facilitate group processes; develop community relations; participate in policy development.

'This has been one large journey and I have grown so much intellectually since I started the course. I am seriously thinking about enrolling in Bachelor of Arts next year'

- Charmaine Mckeen-Partlett, creative & business owner

'This qualification was integral to the building of the business case to move me to Level 3 so I am delighted it is all complete' - Anna Keam, Cultural Development Officer, Western Downs Regional Council
