To Whom It May Concern

Once again St Joseph's Park Avenue is holding their annual **Harmony Day**. It will be held in third term on **Thursday 25<sup>th</sup> of July**. Our school community would love to have your participation in the day. As we have a high number of Indigenous students the focus of our day is on Indigenous culture. Previous guest speakers/presenters have run various art activities, storytelling, traditional games etc. as a service you may already have something in place for youth suitable to primary aged children. We are asking for 16 guest speakers/presenters to run **two 45 minutes sessions**, each session with an audience of one class of approximately 27 students. These would start at 9:30 and be held one after the other. If possible presenters are encouraged to stay around for lunch and a special thank-you.

**Proposed schedule of the day**

- 9am Liturgy
- 9:30am 1<sup>st</sup> session
- 10:20am 2<sup>nd</sup> session
- 11am Lunch provided for all guests
- 11:40am Indigenous performance
- 12:10pm Presentations to guests
