

Centacare: Catholic Diocese of Rockhampton

INTIMATE PARTNER VIOLENCE

Centacare presents *Intimate Partner Violence* training at four of our sites: Bundaberg, Emerald, Mackay and Rockhampton.

Intimate Partner Violence training is a program developed to equip participants with the skills required to identify the differences between types of intimate partner violence. Commonly used treatments for perpetrators and victims is also discussed, along with the social and psychological theories behind victim/perpetrators intent and behaviour.
