

BHP Billiton Mitsubishi Alliance (BMA) is the world's largest seaborne coking coal supplier. BMA operates eight mine sites and a coal loading port in Central Queensland.

BHP Billiton Mitsubishi Alliance (BMA) is offering a number of exciting opportunities for Traineeships (Tyre Fitter, Coal Prep Plant & Operator) at various operations within Central Queensland. Your traineeship will be for an 18 month fixed term period, where you will receive an excellent experience and benefit gained by working for the world's largest seaborne coking coal supplier.

You will be given with industry-leading training including mentoring by some of BMA's talented workforce providing the best opportunity to achieve the top of your chosen vocation. You will also experience first-rate working conditions with a focus on safety, quality and teamwork.

Our successful applicants will possess:

- Ability to work safely in a mining environment
- Proven attendance record (school or recent employment)
- Good communication skills both written and verbal
- Basic computer literacy
- Motivation to learn and develop new skills
- The ability to foster a teamwork atmosphere within the work group

All suitable candidates will be invited to attend an Assessment Day as part of the selection process.

How to Apply:

To be considered your application must be completed in full and submitted by 24 July 2014 to bmaresourcing@bhpbilliton.com

BHP Billiton Mitsubishi Alliance (BMA) has an overriding commitment to safety and environmental responsibility and is an equal opportunity employer. Applicants from a wide sector of the community, including women and indigenous cultures are encouraged to apply.
