

A YARN ABOUT PALLIATIVE CARE

DATE: Thursday 30 October 2014

VENUE: North Street Annex
Corner North and West Streets, Rockhampton

TIME: 9:00 am to 3:00 pm

Indigenous Health Workers and Liaison Officers who care for Indigenous people receiving palliative and end of life care are invited to register to attend this event.

Speakers Include:

Mr Darryl Lingwoodock, Indigenous Project Officer

PEPA (Program of Experience in the Palliative Approach)

Mr John Haberecht, Director of Learning and Development

CPCRE (Centre for Palliative Care and Research and Education)

Learning Objectives:

- Explore aspects of end of life care in Aboriginal and Torres Strait Islander communities
- Explore Aboriginal and Torres Strait Islander beliefs and values relating to palliative and end of life care
- Identify principles of palliative and end of life care
- Identify how PEPA can help provide increased knowledge about palliative and end of life care amongst Aboriginal and Torres Strait Islander health professionals

Topics for the day include:

- What is PEPA?
- What is palliative and end of life care?
- How can I participate in a supported PEPA placement with other Aboriginal and Torres Strait Islander health professionals
- Care for self?

Please be aware that this workshop may contain references to Aboriginal or Torres Strait Islander people who have passed away.
