Darryl James Saylor

Darryl or DJ as his friends and family referred to him was "the most loving, caring and respectful young man with a heart of gold". DJ loved anything mechanical mainly cars and motorbikes, he loved fixing things, video games, painting and cooking but most of all he loved his family.

Darryl James was 19 years old and was about to become a student studying a Certificate III in Hospitality, he was also about to start donating his time as a volunteer for the Salvation Army in Townsville.

It is with great sadness that Darryl James was taken from us on the 6th March 2015.

There are no words to describe how much DJ is going to be missed, the heartache and pain that his family and loved ones are going through right now is unexplainable. So at this time we are hoping to raise enough funds to help cover the costs of Darryl James Saylor's funeral, so that his family may not have the added worry of how to cover such an immense cost.

We'd like to thank you for taking the time to offer your donation and from the bottom of our hearts we thank you for all of your love support.

Your donations are greatly appreciated, and we cannot thank you enough for helping in a time of need.

Thank You
