

## 2016 NDIS COMPLETE COMMUNITY WORKER PROGRAM

Gain new knowledge  
Learn new skills

Increase employment  
opportunities

Learn about new ways of  
working with people

## CERTIFICATE III IN INDIVIDUAL SUPPORT CERTIFICATE IV IN MENTAL HEALTH NDIS LEADERSHIP PROGRAM

This complete program is available to people who are currently working in the community sector with a minimum of 3 months experience.

The cost of the complete program is \$150 or \$100 for concession card holders. To be eligible students must not have completed a Certificate III qualification or above.

For students that have already completed a Certificate III but NOT a Certificate IV, there is the option to join the program mid way through and only complete the Certificate IV. The cost for this option is \$75 or \$50 for concession card holders

Workshops for the course will be held on a monthly basis at or near your workplace.

Students who successfully complete the program will have the opportunity to further their study at the Diploma level if they wish.

For students who have completed a Certificate III and Certificate IV previously there are payment plans available at \$57 a week for 12 months. Please contact CSIT for complete details for this option.

### NDIS LEADERSHIP PROGRAM

The NDIS leadership program is designed to assist services to move into a business model and includes Workforce analysis and development, Strategic and operational planning assistance and tools, Marketing and promotion information and support to move into the NDIS model of care.

The NDIS Leadership training is only for Coordinators and Managers. There is no cost for this training however participation is dependent upon providing students in the Certificate III and or Certificate IV program
