

TELECOMMUNICATIONS TRAINEESHIPS FOR ABORIGINAL & TORRES STRAIT ISLANDER CANDIDATES

Programmed Skilled Workforce and Telstra are looking for job seekers from Aboriginal and Torres Strait Islander communities who are interested in a Telecommunications Traineeship in far North Queensland and Thursday Island.

Trainees will be learning and working on telecommunications equipment, installing and maintaining telephones, broadband, satellite and wireless infrastructure, and fault repair on copper lines.

To be eligible, you must be able to:

- ▼ Commit to a traineeship duration of 9 months
 - ▼ Differentiate between different coloured cables
 - ▼ Lift weight (eg. Ladders 20 - 35kg above shoulder height)
 - ▼ Work at heights
 - ▼ Have a driver's licence and have the ability to drive a manual vehicle
 - ▼ Undertake and successfully pass a medical and a police check
 - ▼ Be able to start the Traineeship in October 2016 (in Brisbane)
- Your airfares, transfers and accommodation will be paid for by Programmed.

Traineeships are available in Weipa, Thursday Island and Normanton.

Applications close 7 September 2016
